Dear Sir or Madam:

In 2001, the Air Resources Board staff undertook a survey of architectural coatings companies to gather information regarding the products they sold in California during 2000. In April 2003, a draft report of the survey results was posted on our web site for public review and comment.

A final report that incorporates the comments that we received on the draft report is now available. This final report may be accessed on line at the following address: http://www.arb.ca.gov/coatings/arch/survey/2001/survey.htm. If you are unable to access the report in this manner, please contact Ms. Elizabeth Miller at (916) 327-0376, or at efmiller@arb.ca.gov, to obtain a printed copy.

If you have questions regarding the data in this report, please contact Ms. Monique Davis at (916) 324-8182, or by e-mail at mdavis@arb.ca.gov. For general questions, please contact me at (916) 322-8273, or by e-mail at jnyarady@arb.ca.gov.

Sincerely,

Jim Nyarady
