Traveling **west** on Highway 1 from San Luis Obispo, enter at the Cuesta College, **Hollister Avenue** **traffic signal**. This signal is the first signal for Cuesta College. **BEWARE**, there may not be a street sign!

After entering on **Hollister Avenue** continue across Chorro Valley Road and Chorro Creek. Immediately after crossing Chorro Creek, take a right on Colusa Avenue (you can only turn right). Continue west along Colusa Avenue. Continue through the stop sign to the end. Turn left. You are now on Washington. Continue on Washington until you see a **fire tower** on the right just past the railroad cars. This is the VEE location!
