State of California
Air Resources Board

Executive Order G-466

WHEREAS, Article 4 (commencing with Section 41900), Chapter 3, Part 4, Division 26 of the Health and Safety Code authorizes the Air Resources Board (the "ARB") to adopt abrasive blasting standards;

WHEREAS, in Subchapter 6 (commencing with Section 92000), Chapter 1, Part III, Title 17, California Code of Regulations, the ARB has established abrasive blasting standards;

WHEREAS, Section 92520(b), Title 17, California Code of Regulations, provides that no person shall conduct dry unconfined blasting unless the abrasive(s) used in such operations have been certified by the ARB, on at least an annual basis, to comply with the performance standards set forth in Section 92520(a);

WHEREAS, Health and Safety Code Sections 39515 and 39516 delegate to the Executive Officer any power which the ARB may lawfully delegate;

WHEREAS, the abrasives listed in Exhibit A (attached) were tested in 1988 in accordance with "Method of Test for Abrasive Media Evaluation," Test Method No. California 371-A, were found to comply with provisions of Section 92520, Title 17, California Code of Regulations, and are presently certified by the Air Resources Board until May 20, 1989;

WHEREAS, the Abrasive Blasting Advisory Committee has proposed amendments to the Board's regulations to provide for a biennial certification of abrasive blasting material;

WHEREAS, consideration of this change by the Board was unexpectedly delayed;

NOW, THEREFORE, IT IS ORDERED that the abrasives listed in Exhibit A shall remain certified for dry unconfined blasting until August 31, 1989.

IT IS FURTHER ORDERED that this Executive Order shall expire on August 31, 1989, and the listed abrasives shall not be certified after that date for dry unconfined blasting unless they are recertified in accordance with the provisions of Section 92520(b), Title 17, California Code of Regulations.

Executed this 28th day of April, 1989, at Sacramento, California.

James D. Boyd
Executive Officer

April, 1989
Expires August 31, 1989
