State of California
AIR RESOURCES BOARD

Resolution 08-34

July 24, 2008

Agenda Item No.: 08-7-3

WHEREAS, the Legislature has declared in Health and Safety Code section 39700 that an effective research program is an integral part of the broad-based, statewide effort to combat air pollution in California;

WHEREAS, the Air Resources Board (ARB) has been directed to administer and coordinate all air pollution research funded, in whole or in part, with State funds, pursuant to Health and Safety Code section 39703;

WHEREAS, ARB has been directed to establish objectives for air pollution research in California, pursuant to Health and Safety Code section 39703;

WHEREAS, ARB has appointed a Research Screening Committee to give advice and recommendations with respect to all air pollution research projects funded by the State, pursuant to Health and Safety Code section 39705; and

WHEREAS, the Research Screening Committee has reviewed and approved a report for air pollution research in California entitled *Planned Air Pollution Research, Fiscal Year 2008-2009*.

NOW, THEREFORE, BE IT RESOLVED that ARB hereby concurs in the recommendation of the Research Screening Committee and approves the report entitled *Planned Air Pollution Research, Fiscal Year 2008-2009*.

I hereby certify that the above is a true and correct copy of Resolution 08-34, as adopted by the Air Resources Board.
