Proposed Amendments to the Area Designations for State Standards

Board Hearing
November 16-17, 2006

California Environmental Protection Agency
Air Resources Board

Designation Process

- State standards adopted
- Areas designated
- Proposed 2006 changes:
  - Carbon Monoxide
  - PM10
  - PM2.5
  - Ozone

New Carbon Monoxide Attainment Area

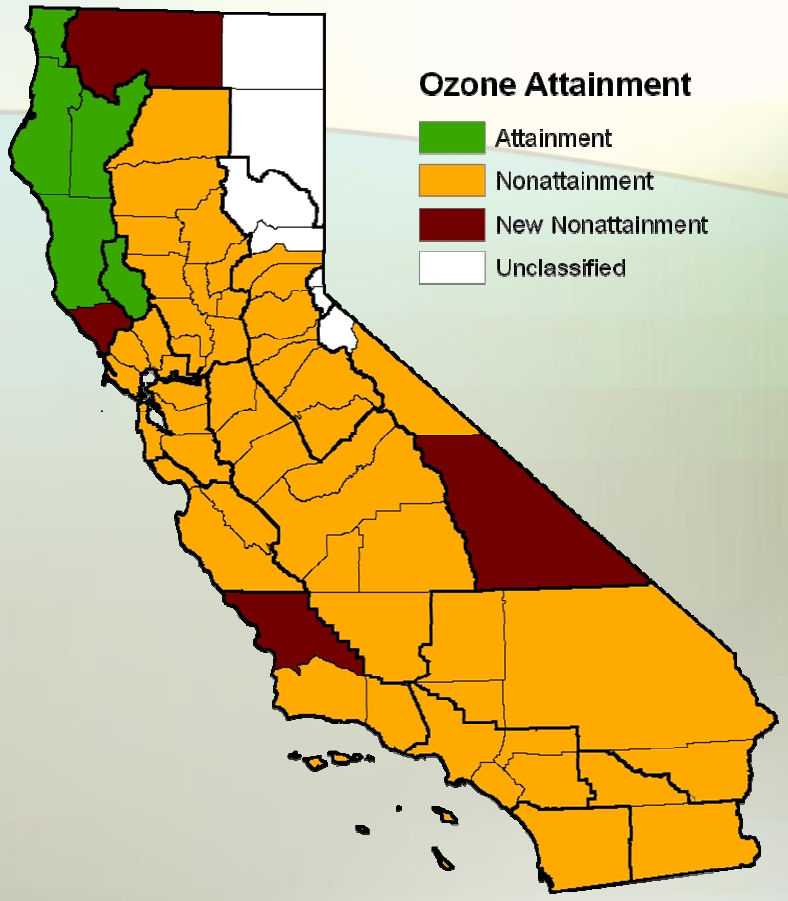
- **Imperial County (Calexico)**
- **Entire State of California is now in attainment or unclassified for CO.**

New Particulate Matter Attainment Areas

- **Sonoma County**
  - **PM_{10}**
- **San Luis Obispo County**
  - **$PM_{2.5}$**

Ozone Designation Changes

- **Four New Nonattainment Areas**
  - **Inyo County**
  - **San Luis Obispo County**
  - **Siskiyou County**
  - **Sonoma County**



Other Ozone Designation Changes

- **3 areas change from attainment to unclassified**
  - **Incomplete data**
- **8 areas change from nonattainment-transitional to nonattainment**
  - **Operation of law**

Recommendations

- **Adopt amendments to State area designations**
- **Confirm designations which occur by operation of law**
