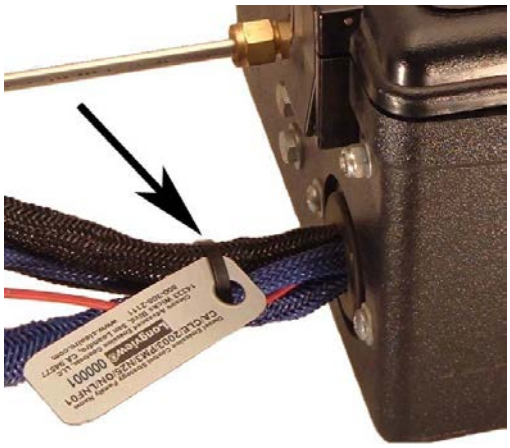
**ATTACHMENT 3**
Executive Order DE-10-004-02

**Label for the Cleaire LongMile™ System**

**Notes:**

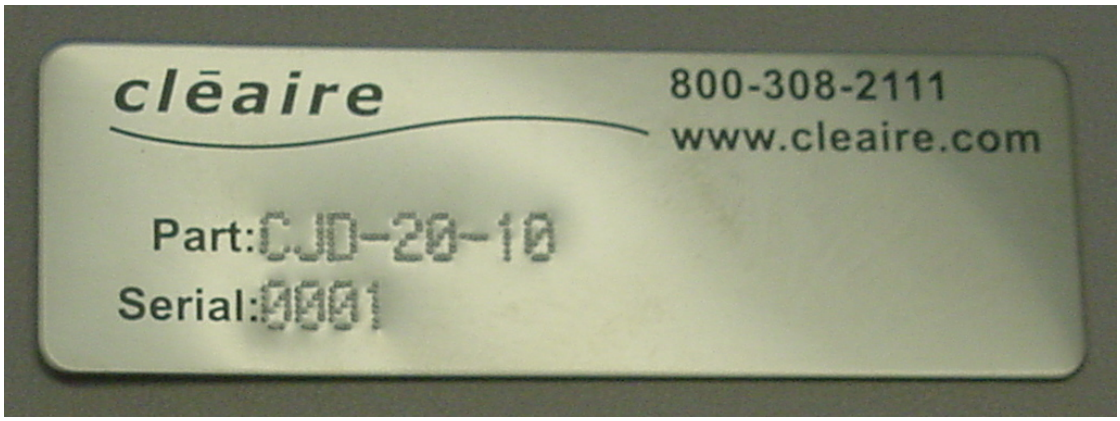
- Month and year of manufacture are not included. This information is readily obtained from Cleaire by reference to the serial number.
- The labels that are attached to the LongMile and engine are identical. The figures below illustrate typical installations: one on the electronic controller's wiring harness, the other on an engine stud.

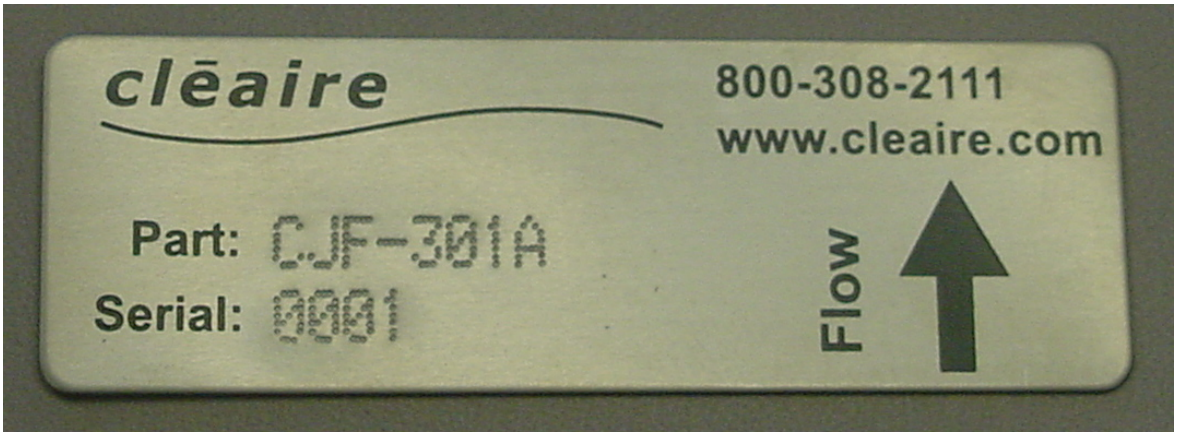


Note: For illustrative purposes only. Please disregard the content on the labels shown in the photographs.

**Additional System Labels**

The following sample label is permanently attached to the diesel oxidation catalyst:





The following sample label is permanently attached to the diesel particulate filter:
