State of California

AIR RESOURCES BOARD

Executive Order G-70-50

Relating to the Certification of the Vapor Recovery Kit
For M857, M967, M969, and M970
Military Delivery Tanks

Pursuant to the authority vested in the Air Resources Board (ARB) by Health and Safety Code Section 41954; and

Pursuant to the authority vested in the undersigned by Health and Safety Code Section 39515 and 39516;

IT IS ORDERED AND RESOLVED: That the vapor recovery kit for the M857, M967, M969, and M970 military delivery tanks is hereby certified. The kit and delivery tank system certified hereby is described in Exhibit 1, attached hereto.

IT IS FURTHER ORDERED AND RESOLVED: That the vapor recovery system, including the delivery tank, be in compliance with the provisions in Title 19 of the California Administrative Code and, in particular, the provisions of subchapter 11 of Chapter 1 thereof.

IT IS FURTHER ORDERED AND RESOLVED: That the system certified hereby shall in actual use meet the performance criteria for gasoline delivery tanks adopted by the ARB on April 18, 1977. Compliance with these criteria shall be a condition of this certification, and if not met, shall constitute grounds for revocation, suspension, or modification of this certification.

IT IS FURTHER ORDERED AND RESOLVED: That any alteration in the equipment, parts, design, or operation of the system certified hereby is prohibited and deemed inconsistent with this certification, unless the alteration has been approved by the undersigned.

Executed at Sacramento, California this 5th day of December, 1979.

Thomas C. Austin
Executive Officer
