Diesel Truck and Equipment Owners you are invited to a *California Air Resources Board Diesel Big Rig Compliance Workshop*

The ARB's regulations for Diesel Truck and Equipment owners will reduce emissions from existing equipment to meet federally imposed clean air standards.

Thursday– November 14, 2013 - 11:00am – 2:00pm

Working Lunch Hosted by Galpin Motors
Mustang Conference Room 2nd Floor
15555 Roscoe Blvd., Van Nuys, CA 91343

Hear from ARB Experts that will clarify:

- Who is affected by ARB regulations
- Who will perform inspections
- Who is authorized to perform retrofits
- What happens if you are fined
- What financing options are available

Please RSVP to: Darcy Winters, The Valley Economic Alliance 818-379-7000 x108 - dwinters@economicalliance.org or Cheryl Cast, Galpin Motors 818-778-2171 - ccast@galpin.com

Presented by: Galpin Motors, The Valley Economic Alliance
