

## Funding Opportunities for TRU ATCM Compliance

### Financing Options

This is a list of companies that offer financing for compliance with the TRU ATCM. This list is not meant to imply ARB endorsement or recommendation of any kind. Companies not listed here may call the TRU Help Line at 888-878-2826 (888-TRU-ATCM) and request to be added. This list is not screened or ranked in any way. Users of this list are warned to use due diligence in evaluating offerings from companies on this list.

- ❖ California Capital Access Program (CalCAP) under the California Pollution Control Financing Authority (CPCFA):
  - See eligibility and how the program works at: <http://www.treasurer.ca.gov/cpcf/calcap.asp>
  - Contact one of the lending institutions from the list of 57 participating lending institutions at: <http://www.treasurer.ca.gov/cpcf/calcap/institutions.pdf>
  - CalCAP forms at: [http://www.treasurer.ca.gov/cpcf/cal\\_cap.asp](http://www.treasurer.ca.gov/cpcf/cal_cap.asp)
- ❖ Cascade Sierra Solutions: Cascade Sierra Solutions (CSS) combines available grants and tax incentives with low cost financing to make clean efficient truck technologies affordable for the trucking community. Call toll-free to 1-866-345-3390. See various financing and grant programs offered at: [https://secure.cascadesierrasolutions.org/financing\\_options.php](https://secure.cascadesierrasolutions.org/financing_options.php)
- ❖ Rural Assistance Center (RAC)/Community Development Transportation Lending Services (CTAA): Financing for a broad range of transportation and related investments and activities

Patrick Kellogg: 800-891-0590, ext. 710, email: kellogg@ctaa.org
- ❖ Rypos, LLC: See their TRU Lease Program that provides financing to purchase or lease diesel particulate filters at [http://www.rypos.com/tru\\_lease\\_program.html](http://www.rypos.com/tru_lease_program.html)  
<http://emissionreductioninc.com/>

### Grant Programs

TRU owners may apply for grant funds if they qualify. These programs are competitive and do not pay applicants to comply with regulations. They are designed to produce surplus emission reductions that are not required by law for at least three years.

- ❖ ARB Carl Moyer Program (competitive, surplus emission reductions required):  
Call Peter Christensen at 1-916-322-1520  
[http://www.arb.ca.gov/msprog/moyer/guidelines/2008green\\_charts/tru.pdf](http://www.arb.ca.gov/msprog/moyer/guidelines/2008green_charts/tru.pdf)
