

Date: April 9, 2007

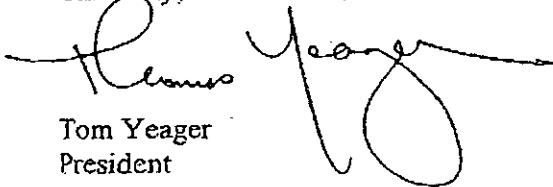

To: Camarillo Engineering

From: Recat, Inc.

To install a Huss Level III Diesel Particulate Filter on a Tier 0 Cat 3412 and 3408 engine would require (3) MS100MKL units. The cost would be \$ 68,047 per machine. (See attached sheet for price breakdown). These are the manufacturer specifications for Tier 0 engines. Recat is the HUSS distributor for California.

We would be happy to answer any questions you might have.

Sincerely,

Tom Yeager
President
