

How to Locate Equipment Identification Numbers (EINs)

Introduction

After you have requested a review on your DOORS account information, and have received notice that your Equipment Identification Numbers or EINs are available, you will be able to view your EINs in your DOORS account.

Your EINs are a series of letters and numbers that ARB uses to identify your vehicle's engine(s). They are to be placed on your vehicle according to the ARB labeling guide lines found here:

http://www.arb.ca.gov/msprog/ordiesel/faq/labeling_vehicles_faq.pdf

User Guide – Locating your EINs

This guide was created to assist fleet owners using Online Screens. This guide contains instructions on how to view your EINs in DOORS.

Steps to View EINs Using Online Screens

This guide provides detailed instructions on how to complete the following steps to view your EINs using our Online Screens:

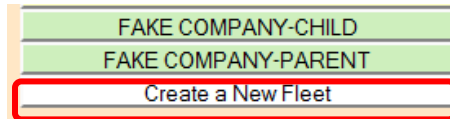

- A. Log in to DOORS Account
- B. Access "View EINs" option
- C. Locate your EINs on the "View EINs" page

Log In to DOORS Account

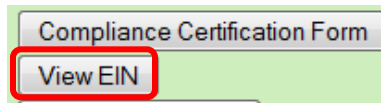

- Go to https://ssl.arb.ca.gov/ssldoors/doors_reporting/doors_login.html
- Use your User Name and Password to log in
- If you have forgotten how to access your account information, please review the DOORS Guide to Reporting Online found at: <http://www.arb.ca.gov/msprog/ordiesel/documents/doors/reportingonlinescreens.pdf> or call the DOORS hotline at 1(877) 59DOORS (36677) or e-mail us at DOORS@arb.ca.gov for assistance.

A. Access “View EINs” Option

- When looking at the DOORS Reporting Home Page, you will notice that the screen is split into three (3) sections.
- The first section has the names of the fleets that you have created. Fleets that you have been reviewed, and that have EINs will appear in green, and fleets that have not been submitted for review appear in yellow.
- From this list, you will need to select the fleet that you would like to work with.

- Once you have selected the fleet that you would like to work with, available options for working with this fleet will appear in the center column.
- From this column select the “View EIN” button. This will open up the “View EIN” page. *Note: This option will only appear once your fleet has been successfully reviewed.*

B. Locate Your EINs on the “View EINs Page”

- Once the “View EINs Page” loads, you will notice that there is a series of columns with your vehicle and engine information listed.
- The second column on this page is the EIN column. Here your EINs are listed next to the vehicle and engine information that corresponds to it.

You may sort by clicking on

| Line # | EIN | Veh serial num |
|--------|--------|----------------|
| 1 | UV4U79 | 975210956 |
| 2 | UJ3T67 | 8645132 |

For more information on reporting fleet information, refer to our guides, which are available from our reporting homepage at:
