WHEREAS, the Air Resources Board (ARB) has adopted the "Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products" (the "ATCM"; title 17, California Code of Regulations, sections 93120 – 93120.12), which establishes formaldehyde emission standards for composite wood products;

WHEREAS, section 93120.3(b) of the ATCM requires that manufacturers of composite wood products must verify compliance with the formaldehyde emission standards by using a third party certifier approved by ARB;

WHEREAS, the ATCM requires third party certifiers to: 1) verify the accuracy of the emission test procedures and facilities used by composite wood product manufacturers to conduct formaldehyde emission tests; 2) monitor manufacturer quality assurance programs; and 3) provide independent audits and inspections;

WHEREAS, section 93120.4 of the ATCM sets forth the process for the ARB Executive Officer to approve third party certifiers;

WHEREAS, section 93120.4(b)(1) of the ATCM requires that applications to become ARB-approved third party certifiers must be submitted to the Executive Officer in writing and must contain: 1) evidence of actual field experience in the verification of laboratories and wood products, to demonstrate how applicants will be able to competently perform the requirements for third party certifiers of composite wood products listed in section 93120.12, Appendix 3, of the ATCM; 2) evidence of the ability to properly train and supervise inspectors; 3) evidence of a current "product certification agency" accreditation; and 4) a list of the composite wood products that the applicant is applying to verify and evidence that the applicant is qualified to verify these products;

WHEREAS, FCBA Technological Institute (FCBA or the "applicant") submitted an original application dated July 11, 2008, and deemed complete on November 4, 2008;

WHEREAS, FCBA was issued Executive Order W-08-017, signed on December 22, 2008;

WHEREAS, section 93120.4(b)(4) of the ATCM allows ARB-approved third party certifiers to apply for re-approval by ARB by submitting an updated application;

WHEREAS, FCBA submitted an updated application for re-approval to ARB on December 21, 2010;

WHEREAS, the updated application for re-approval from FCBA was deemed complete on September 30, 2011;

WHEREAS, the Executive Officer finds that the completed, updated application demonstrated the third party certifier's ability to continue to comply with section 93120.4(b)(1); and

WHEREAS, the Executive Officer approved FCBA's request for re-approval, and it is appropriate that Executive Order W-08-017 be superseded by this Executive Order W-11-017.

BE IT FURTHER ORDERED that FCBA is an ARB-approved third party certifier for the following composite wood products: Hardwood Plywood, Particleboard, and Medium Density Fiberboard.

BE IT FURTHER ORDERED that this approval is subject to the following conditions:

FCBA shall not use the subcontractor unless the Executive Officer approves the request in writing.

4. FCBA shall immediately notify the Executive Officer if any accreditation or certification provided in support of their initial application is renewed, allowed to expire, or revoked within the duration of this Executive Order.

BE IT FURTHER ORDERED that this Executive Order W-11-017 supersedes Executive Order W-08-017, which was issued on December 22, 2008;

BE IT FURTHER ORDERED that this Executive Order shall have a duration of two years from the date it is executed; within 120 days of the expiration of this Executive Order, the third party certifier may apply for re-approval by submitting an updated application to the Executive Officer as provided in section 93120.4 of the ATCM.

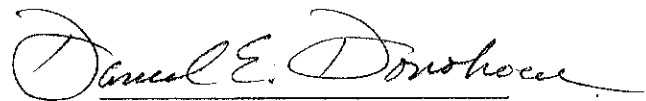

BE IT FURTHER ORDERED that the Executive Officer may review and, for good cause, modify or revoke this Executive Order as provided in section 93120.4(d) of the ATCM.
