

REGULATION 3 - SECTION 7

RULE 7-100 – TITLE

AIRBORNE TOXIC CONTROL MEASURE FOR EMISSIONS OF PERCHLOROETHYLENE FROM DRY CLEANING OPERATIONS

This regulation is adopted pursuant to the provisions of Section 93109, Titles 17, California Code of Regulations (CCR).

[Adopted July 25, 1995]
[Amended May 12, 2009]

RULE 7-110 – APPLICABILITY

All new or existing Perchloroethylene dry cleaning equipment sold, operated or located within the District shall comply with all provisions of Section 93109, Title 17 of the California Code of Regulations (Airborne Toxic Control Measure for Emissions of Perchloroethylene Associated with Dry Cleaning Operations and Requirements for Manufacturers and Distributors of Perchloroethylene).

RULE 3.7-200 - PERMITS

- (a) Any owner or operator of new or existing Perchloroethylene dry cleaning equipment shall file an application for an Authority to Construct with the District. The application for existing Perchloroethylene dry cleaning equipment shall be filed with the District within 90 days of rule adoption by the District and the applicant shall pay the fees as specified in Rule 7-300 - Fees.

RULE 3.7-300 - FEES

(a) Initial Fee

Every Applicant for an Authority to Construct for any new or existing Perchloroethylene dry cleaning facility as required by this regulation shall pay an initial application fee of \$200.00 at the time of the filing of the application.

(b) Annual Renewal Fee

On July 1, 1995, and each July 1 thereafter, all holders of a Permit to Operate shall be notified by the District of the annual permit renewal fees of \$100.00 per Perchloroethylene dry cleaning facility.

(c) Transfer of Owner

Where an application is filed for a Permit to Operate any Perchloroethylene dry cleaning facility by reason of transfer of owner, for which a Permit to Operate has been previously granted under Rule 3.7-500, and no modifications to the facility have been made, the applicant shall pay a \$50.00 transfer fee.

(d) Alteration of Equipment

Where an application is filed for an Authority to Construct or a Permit to Operate exclusively involving revisions to the conditions of an existing Authority to Construct or Permit to Operate or involving alterations or additions resulting in a change to any existing Perchloroethylene dry cleaning equipment the applicant shall pay an application fee as specified in Rule 3.7-300 (a).

(e) Duplicate Permit

A request for a duplicate Permit to Operate shall be made in writing to the District within 10 days after the destruction, loss or defacement of a Permit to Operate and shall contain the reason a duplicate is being requested. A fee of \$10.00 shall be paid for a duplicate Permit to Operate.

(f) Late Fee Penalty

If any Perchloroethylene dry cleaning equipment is constructed or operated without the owner or operator obtaining an Authority to Construct in accordance with Rule 3.7-200, the applicant shall be assessed a late fee penalty which is one and one-half times the applicable initial fee. The assessment of a late fee penalty shall not limit the District's right to pursue any other remedy provided for by law.
