- 9. Date you began researching compliance options. (MM/DD/YYYY)
- 10. Date you decided which compliance option to use. (MM/DD/YYYY)
- 11. Date you began arranging financing. (MM/DD/YYYY)
- 12. Date order was placed for compliance equipment. (MM/DD/YYYY)
- 13. Estimated date of installation of equipment. (MM/DD/YYYY)

14. Identify the reason for the delay (check all that apply):

- Compliance equipment has been ordered, but has not been received.**
 If this reason is checked, you must attach a copy of the purchase order that includes the date that the order was placed and a statement by the supplier that provides the original estimated delivery date and the delivery schedule updated within the last 30 days.
- Compliance equipment has been ordered and received, but not installed.**
 If this reason is checked, you must attach a copy of the purchase order that includes the date that the order was placed and the date the equipment was (or will be) received. You must also attach a statement by the installer that provides the original estimated installation date and the installation schedule updated within the last 30 days.
- Financial institution has not completed processing the financing application.**
 This is not a valid reason for delay if financing has been denied. If this reason has been checked, you must attach a statement by the financial institution that explains the reason for the delayed processing and an estimate of the date that processing will be completed.
- Other circumstances.**
 If this reason is checked, you must provide a detailed explanation of the circumstances that are causing a delay in compliance and attach supporting documentation that demonstrates good-faith steps were taken in a timely manner to comply by the deadline, taking into account delivery, installation, holiday, and year-end lead times. This documentation must include dates and contact information for each step in the compliance process.
