Dear Mr. Villegas:

Please find enclosed three copies of the report titled "Ventura County Air Pollution Control District Program Review Report of Findings and Recommendations." The report is based on our evaluation of the Ventura County Air Pollution Control District's (District) air pollution control program.

I would like to take this opportunity to express our pleasure in working with you and the staff of the District. We appreciate your comments on the draft report and found them useful in helping us finalize the report. We hope this report will be useful to you in enhancing the District's air pollution control program.

Consistent with our policy on program evaluations, I am requesting that you prepare an action plan identifying your response to the reports recommendations. I would like to receive the action plan by December 8, 2006. I also request that you submit a progress report on implementing the action plan by June 1, 2007.

Once again, I thank you for the cooperation that District staff demonstrated during the program evaluation. If you have any questions regarding this matter, please contact me at (916) 324-8167.
