Air Resources Board

Executive Order G-320

WHEREAS, Article 4 (commencing with Section 41900), Chapter 3, Part 4, Division 26 of the Health and Safety Code authorizes the Air Resources Board (the "Board") to adopt abrasive blasting standards;

WHEREAS, in Subchapter 6 (commencing with Section 92000), Chapter 1, Part III, Title 17, California Administrative Code, the Board has established abrasive blasting standards;

WHEREAS, Section 92520(b), Title 17, California Administrative Code, provides that no person shall conduct dry unconfined blasting unless the abrasive(s) used in such operations have been certified by the Air Resources Board, on at least an annual basis, to comply with the performance standards set forth in Section 92520(a);

WHEREAS, Health and Safety Code Sections 39515 and 39516 delegate to the Executive Officer any power which the State Board may lawfully delegate;

WHEREAS, the abrasives listed in Exhibit A (attached) have been tested in accordance with "Method of Test for Abrasive Media Evaluation," Test Method No. California 371-A, and found to comply with provisions of Section 92520, Title 17, California Administrative Code;

NOW, THEREFORE, IT IS ORDERED that the abrasives listed in Exhibit A are certified pursuant to Section 92520(b), Title 17, California Administrative Code, and may be used for dry unconfined blasting until May 20, 1987.

IT IS FURTHER ORDERED that this Executive Order shall expire on May 20, 1987, and the above-listed abrasives shall not be used after that date for dry unconfined blasting unless they are recertified in accordance with the provisions of Section 92520(b), Title 17, California Administrative Code.

Executed this second day of October,
1986, at Sacramento, California.

James D. Boyd
Executive Officer
