Mr. Seyed Sadredin
Executive Director/Air Pollution Control Officer
San Joaquin Valley Air Pollution
Control District
1990 East Gettysburg Avenue
Fresno, California 93726-0244

Dear Mr. Sadredin:

We are pleased to inform the San Joaquin Valley Air Pollution Control (District) that the Air Resources Board (ARB) is now able to release project funds from the October 2009 sale of Build America Bonds to support the Proposition 1B: Goods Movement Emission Reduction Program project listed below:

<u>Grant #</u>	<u>Category</u>	<u>Grant Amount</u>	<u>Project Funds Available</u>	<u>Total Project Funds Available To Date</u>
G07GMCT3	Other Trucks	\$40,530,000	\$19,749,850	\$38,600,000

The project funding listed above is coming from the sale of the Build America Bonds that limit expenditures to capital costs only. The District has previously requested and received the initial administrative funds for this grant in 2008. ARB's ability to pay the final administrative funding is dependent on the sale of appropriate, additional bonds. We are actively seeking these funds for local agencies.

Thank you for your participation in the Goods Movement Emission Reduction Program and we look forward to continue working with you to implement this Program. If you have any questions, please contact Ms. Cynthia Marvin, Assistant Division Chief, at (916) 322-7236.

Sincerely,

James N. Goldstene
Executive Officer
