Local Action

State Proceeds from Cap-and-Trade

- Proceeds go in Greenhouse Gas Reduction Fund (GGRF)
- State law sets framework
- Invest in projects that reduce greenhouse gases and achieve co-benefits
- Maximize benefits to disadvantaged communities
 - 10%+ of \$ within
 - 25%+ of \$ to benefit

Second Investment Plan

- Due to Legislature in January
- Covers Fiscal Years 2016-17 to 2018-19
- Qualitative assessment of needs and priorities
- Focuses on 40% of discretionary funding
 - 60% is continuously appropriated to affordable housing & sustainable communities, transit and High Speed Rail
- Legislature and Governor determine funding allocations in the annual State Budget

- Upcoming Milestones:
 - **Dec 17-18:** Board Hearing
 - **Jan 2016:** Final Investment Plan to Legislature

Second Investment Plan Goals

Reducing Greenhouse Gases and Other Climate Pollutants

Benefitting California's Most Disadvantaged Communities

Increasing Rural Community Participation

Maximizing Co-Benefits to Public Health, the Environment, and the Economy

Cross-Cutting Approaches

Local Climate Action in Disadvantaged Communities

Efficient Financing Mechanisms to Maximize Investment
