

CALIFORNIA CLIMATE INVESTMENTS

APPROPRIATIONS FROM THE GREENHOUSE GAS REDUCTION FUND

As of December 15, 2017

Sustainable Communities and Clean Transportation

**Total Appropriations
to Date (\$M)**

Air Resources Board		
Agricultural Equipment — NEW for FY 2017-18		\$85
Community Air Protection — NEW for FY 2017-18		\$255
Low Carbon Transportation		\$1,255
<i>Provides mobile source incentives for the development of advanced technology and clean transportation</i>		
Department of Transportation		
Active Transportation Program		\$10
<i>Funds new pedestrian facilities, new bike paths or lanes, and new or expanded bike share programs</i>		
Low Carbon Transit Operations Program		\$231
<i>Funds new or expanded bus, ferry, and rail services or transit facilities, capital improvements, and cleaner vehicles</i>	5% Continuous Appropriation	
High-Speed Rail Authority		
High-Speed Rail Project		\$1,287
<i>Funds planning, design, and construction of rail service from San Francisco to the Los Angeles basin</i>	25% Continuous Appropriation	
State Transportation Agency		
Transit and Intercity Rail Capital Program		\$574
<i>Funds transformative capital projects that modernize and integrate transit and rail systems</i>	10% Continuous Appropriation	
Strategic Growth Council		
Affordable Housing and Sustainable Communities		\$915
<i>Funds projects that support compact, infill development patterns, encourage active transportation and transit usage</i>	20% Continuous Appropriation	
Sustainable Agricultural Lands Conservation		\$44
<i>Funds strategic investments that prevent at-risk agricultural lands from conversion; funds are allocated for this program through the Affordable Housing and Sustainable Communities continuous appropriation</i>		
Climate Research — NEW for FY 2017-18		\$11
Transformative Climate Communities		\$150
<i>Funds the development and implementation of neighborhood-level transformative plans that include multiple coordinated investments in transportation, housing, energy, natural resources, and/or waste</i>		
<i>Provides technical assistance for applicants with projects in disadvantaged communities</i>		
Technical Assistance		\$2
<i>Provides technical assistance for applicants with projects in disadvantaged communities</i>		

Note: Funding amounts were rounded to the nearest million dollars.
Appropriations listed are estimates based on published budgets, legislation, and quarterly Cap-and-Trade auction results.
