

**Archive of Email Comments Received 6/05/09 during the Public  
Meeting on Reporting and Verification Requirements for California's Cap-and-Trade  
Program**

**Ellison, Schneider & Harris, LLP**

Could you please expand on how and what additional informational requirements would be required for retail providers and marketers to account for the first jurisdictional approach - i.e. bullet two for slide 28

Thank you,

**Brian S. Biering**
