AB 32 Global Warming Solutions Act Cap-and-Trade Public Meeting

July 27, 2009
1:30 p.m. to 5:00 p.m.

Coastal Hearing Room
2nd floor of the Cal/EPA Headquarters Building
1001 "I" Street in Sacramento, CA

Note: The Coastal Hearing Room at Cal/EPA Headquarters has limited seating. The meeting will be webcast (<http://www.calepa.ca.gov/broadcast/>) and open to real-time questions via e-mail (ccworkshops@arb.ca.gov).

Topic: Discussion of Linking California's Cap-and-Trade Program to Other Greenhouse Gas Trading Programs

Purpose: This meeting will discuss linking California's planned cap-and-trade program with other greenhouse gas trading programs. Linkage can be the primary way by which states (and provinces) work together to create a regional program. Linkage can also serve a cost containment purpose. ARB staff will summarize options for linking along with their possible implications. Staff will also seek stakeholder comments regarding programs to which California should link and rules governing such linkages.

AGENDA

- A. Opening Remarks
- B. Air Resources Board (ARB) Staff Presentation: "Linking California's Cap-and-Trade Program to Other Greenhouse Gas Trading Programs"
- C. Roundtable Discussion
- D. Next Steps

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
