Background for Early Action Desk Review Findings

Section 95990 of the Cap-and-Trade Regulation provides for recognition of Early Action Offset Credits. Among the requirements for such recognition are the requirements in Section 95990(f)(3) that a desk review by an ARB-accredited offset verification body must satisfy. This form is designed to help offset verification bodies fulfill the requirements of Section 95990(f)(3).

If full offset verification services are performed for an Early Action Verification Report and the Offset Verification Statement following a desk review, the verification body may not use this form to make its findings. To render an opinion related to full offset verification services, the verification body would use the Offset Verification Statement form provided by ARB on its website.

Where to Submit Information Contained in This Form

Please complete the information on the form using your computer. Then either add an electronic signature to the form or print, sign, and scan the form. The completed and signed information and all supporting documentation should be emailed to ARB at ghgoffsetverification@arb.ca.gov.

This form is also available from the ARB website at:
<http://www.arb.ca.gov/cc/capandtrade/offsets/forms/forms.htm>
