Gray Davis
Governor

California Environmental Protection Agency Air Resources Board

Public Workshop to Discuss the Development of Climate Change Emissions Regulations

Workshop Agenda

Part I—Form of the Standard

- 1) Climate Change Emissions Standards
- 2) Early Reduction Credits
- 3) Upstream Emissions

Part II—Modeling the Economic Impact of Climate Change Regulations

- 1) Background
- 2) Modeling Consumer Response to Climate Change Regulations
- 3) Rebound Effect Assessment
- 4) Industry Responses to Technological Challenges
- 5) Modeling the Impact of Climate Change Regulations on the State's Economy

For each of the above topics, staff will present background information and request comments from workshop participants.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
