

## **EJAC SCOPING PLAN COMMUNITY WORKSHOPS PLAN**

Last updated 6/5/16

### **A. PROGRAM**

#### 1. Goals:

- Build understanding, relevance and ownership of climate policies and programs, including program examples for environmental justice communities
- Get feedback and collect data on what's happening now with AB 32; community needs and priorities.
- Get feedback on what should be included in 2030 Scoping Plan
- Build partnerships and capacity with community, including local government

#### 2. Workshop Agenda

- Opening, Introduction, Game (health)
- Environmental Justice, AB32, 2030 Scoping Plan
- Climate Programs & Survey
  - Questions can include: What do you see now? What would it take for this program/strategy/plan to succeed in your community? What are barriers and incentives?
- Sector Presentations, World Café
- Summary, Close

#### 3. Slides for main presentation (by EJAC committee)

#### 4. Slides for sectors specific presentations (by ARB)

#### 5. Facilitation
