Technical Working Group Meeting on SF₆ reductions from non-electric and non semiconductor applications

The Air Resources Board (ARB) staff invites you to participate in a technical working group meeting to discuss concepts for reducing SF₆ emissions from non-electric and non-semiconductor applications.

The working group meeting will be held at the time and location shown below:

Date: March 19, 2008
Time: 1:00 pm to 5:00 pm
Location: Room 550
Cal EPA building
1001 I Street
Sacramento, CA 95814

Additionally, staff developed a website and list serve to help stakeholders keep abreast of regulatory developments, future meetings, and timelines. Please visit our website at: <http://www.arb.ca.gov/cc/sf6nonelec/sf6nonelec.htm> for additional information and to join our list serve.

As a result of ARB's continuing effort to increase accessibility and public participation, the workgroup meeting will also be available via audio-conference. To obtain the meeting call-in please contact Elizabeth Scheehle at (916) 324-0621 or escheehl@arb.ca.gov.

If you have a disability-related accommodation need, please go to the following website: <http://www.arb.ca.gov/html/ada/ada.htm> for assistance or contact the Disability Coordinator at (916) 323-7053.

If you have questions about the public workgroup meeting or future outreach activities, please contact Elizabeth Scheehle at (916) 324-0621 or escheehl@arb.ca.gov.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
