Public Meeting to Discuss Preliminary Survey Results for Oil and Natural Gas Production, Processing, and Storage

November 16, 2009

Topic and Purpose

The Air Resources Board (ARB or Board) staff invites you to participate in a public workshop to discuss a control measure to reduce greenhouse gas emissions from oil and natural gas production, processing, and storage. This measure is being developed pursuant to the California Global Warming Solutions Act of 2006 (AB 32). The purpose of this workshop is to discuss preliminary survey results and to provide an overview of our activities.

Where and When is the Meeting?

The workshop will be held at the following time and location:

Date: December 8, 2009
Time: 2:00 to 4:00 p.m.
Location: First Floor Training Room, East and West
Address: Cal/EPA Headquarters Building
1001 I Street
Sacramento, California 95814
