

**State of California  
AIR RESOURCES BOARD**

**EXECUTIVE ORDER H-14-030**

Relating to the Accreditation as a Verification Body of Greenhouse Gas Emissions Data Reports Pursuant to Section 95132, Title 17, California Code of Regulations

**Placer County Air Pollution Control District**

WHEREAS, the Air Resources Board (ARB), pursuant to the California Global Warming Solutions Act of 2006 (Statutes of 2006; Chapter 488; Health and Safety Code sections 38500 et seq.), has established the mandatory reporting program contained in sections 95100-95158, title 17, California Code of Regulations;

WHEREAS, the mandatory reporting program requires the use of independent verifiers for verification of greenhouse gas emissions data reports, and establishes requirements for the accreditation of verification bodies;

WHEREAS, the Executive Officer has determined that Placer County Air Pollution Control District has met or exceeded the requirements for accreditation as a verification body in sections 95130-95133, title 17, CCR, including:

1. Placer County Air Pollution Control District has at least two ARB-accredited lead verifiers and at least five total full-time employees.
2. Placer County Air Pollution Control District has policies and mechanisms in place to prevent conflicts of interest and to identify and resolve potential conflict of interest situations if they arise.
3. Placer County Air Pollution Control District has procedures or policies in place to support staff technical training as it relates to verification.
4. Placer County Air Pollution Control District has provided all other information required by section 95132, title 17, California Code of Regulations.

NOW, THEREFORE, IT IS ORDERED, that Placer County Air Pollution Control District is accredited to conduct verification services as a verification body for three years from the date of execution of this order, provided that the following terms and conditions are met:

1. Placer County Air Pollution Control District must cooperate fully with the Executive Officer or the authorized representative during any audit of the verification body or reporting entity for each verification performed.
2. Placer County Air Pollution Control District must provide verification services as specified in sections 95130-95132, title 17, California Code of Regulations.
3. Placer County Air Pollution Control District must comply with the conflict of interest requirements specified in section 95133, title 17, California Code of Regulations.

BE IT FURTHER ORDERED, this accreditation may be modified or revoked by the Executive Officer as provided in section 95132(d), title 17, California Code of Regulations.

Executed at Sacramento, California this 3<sup>rd</sup> day of April 2014.

Richard W. Corey, Executive Officer  
California Air Resources Board
