

Subject: Cancellation of the 2nd statewide public workshop for Refrigerant Management Program for Stationary Refrigeration and Air-Conditioning Equipment

The Air Resources Board (ARB) is cancelling the second statewide public workshop (previously scheduled for December 4th in Fresno, December 9th in Sacramento, and December 10th in Diamond Bar) for refrigerant management program for stationary refrigeration and air-conditioning equipment. The workshops are tentatively planned to be held in January 2009. Please look for more information to come on the exact dates of the workshops.

The ARB is also postponing the proposed board hearing and adoption schedule for this rule from January 2009 to first quarter of 2009.

The ARB staff appreciates your past participation and looks forward to your continuing contribution. For the most current program update including the revised workshop and board hearing schedules, please visit our website at <http://www.arb.ca.gov/cc/reftrack/reftrack.htm>.

We apologize for any inconvenience that this change may cause.

Thank you.
