

# Statewide Interregional Travel Framework

---

May 5, 2009  
Regional Targets Advisory  
Committee

Presented by  
California Department of  
Transportation (Caltrans)

1

## Framework

---

- **Statewide Interregional Travel Demand Model**
  - December 2011
- **Statewide Integrated Land Use, Transportation and Economic Model**
  - December 2012
- **Statewide Freight Model**
  - December 2012
- **Statewide Household Travel Survey**
  - Targeting FY 2011/12-13

2

# Interregional Travel

---

## **Planned Strategies**

- Provide consistent statewide definition of interregional trips
- Provide consistent methodology to address trip activities, including type and purpose
- Promote dialogue and ability to resolve volume discrepancies at jurisdictional boundaries

3

# Discussion

---

## **Develop framework for collaboration**

- Agreement for data sharing
- Consistency and transparency
- Coordination of statewide and regional survey efforts
- **Continue dialogue**
  - MPO/RTPA/Caltrans modeling and data initiatives
  - Regional Transportation Plan Guidelines Update
  - State agency coordination
