

## CALIFORNIA AIR RESOURCES BOARD

### NOTICE OF PUBLIC MEETING TO CONSIDER PROPOSED UPDATE TO THE SENATE BILL 375 GREENHOUSE GAS EMISSIONS REDUCTION TARGETS AND ENVIRONMENTAL ANALYSIS

The California Air Resources Board (CARB or Board) will conduct a public meeting at the time and place noted below to consider adopting updates to regional greenhouse gas emissions reduction targets for California's Metropolitan Planning Organizations as required by the Sustainable Communities and Climate Protection Act of 2008 (SB 375).

DATE: March 22, 2018

TIME: 9:00 a.m.

LOCATION: Riverside County Administrative Center  
4080 Lemon Street, 1st Floor  
Riverside, California 92501

This item will be considered at a meeting of the Board, which will commence at 9:00 a.m., March 22, 2018, and may continue at 8:30 a.m., on March 23, 2018. Please consult the agenda for the meeting, which will be available at least ten days before March 22, 2018, to determine the day on which this item will be considered.

#### **Background**

Under Senate Bill 375 (SB 375, Chapter 728, Statutes of 2008), the California Air Resources Board (CARB) must set regional targets for the purpose of reducing greenhouse gas (GHG) emissions from passenger vehicles for 2020 and 2035 through integrated transportation and land use planning. CARB must update regional GHG emissions targets for years 2020 and 2035 every 8 years. The targets were initially adopted by the Board in 2010, and are due to be updated in 2018. CARB staff will present proposed GHG emissions reduction targets that the Board will consider for adoption.

By Notice of Public Meeting dated June 13, 2017, CARB announced it would conduct a Board meeting to consider the final Proposed Senate Bill 375 Greenhouse Gas Emissions Reduction Targets Update and final environmental documents. The meeting was scheduled for October 26, 2017, at 9:00 a.m., at the Riverside County Administrative Center, 4080 Lemon Street, 1st Floor, Riverside, California 92501.

By Notice of Postponement dated October 3, 2017, the Board meeting for this item was rescheduled for November 16, 2017, at 9:00 a.m., at the California Environmental Protection Agency Air Resources Board, Byron Sher Auditorium, 1001 I Street., 2<sup>nd</sup> Floor, Sacramento, California 95814. By Second Notice of Postponement dated November 6, 2017, the public Board meeting for this item was further postponed, and

the Board heard an informational item (17-12-3) at its Board meeting on December 14, 2017. The Board meeting for this item has now been scheduled for the date, time, and place listed on the first page of this notice. The public may present comments relating to this matter orally or in writing at the hearing.

The public comment period for this item was available from June 13, 2017, through July 28, 2017. The viewable public record can be found at:  
<https://www.arb.ca.gov/lispub/comm/bccommlog.php?listname=sb375update2017>

An Updated Final Staff Report and Draft Environmental Analysis are now available on CARB's website at <https://www.arb.ca.gov/cc/sb375/sb375.htm>. The Final Environmental Analysis and Response to Comments documents will be available at least ten days before March 22, 2018.

Further inquiries regarding this item should be directed to Lezlie Kimura Szeto, Manager of the Sustainable Communities Policy and Planning Section at (916) 327-5985 or (designated back-up contact) Heather King, Air Pollution Specialist, at (916) 322-0339.

**Thank you**
