Mary Nichols, Chair  
California Air Resources Board  
1001 "I" Street  
Post Office Box 2815  
Sacramento, CA 95812

Dear Ms. Nichols:

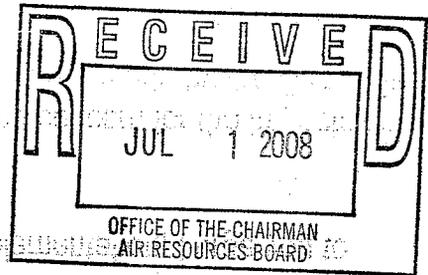

As government officials, we are both charged with making difficult decisions. As you work to make the directives of AB 32 workable and develop the structure for its implementation, I urge you to consider local governments and businesses as you move forward.

Free market solutions, greater flexibility for local city governments, and concern for the impacts on local businesses and local economies should be paramount in any decision made by the California Air Resources Board.

Please do not assume "one size fits all" as you work to solve this major public policy challenge.

Sincerely,

  
JOHN P. SHOALS, MAYOR  
City of Grover Beach
