The first part of this Board agenda item will include overviews from five panelists on their recently released analyses of implementing the AB 32 Scoping Plan, or the federal legislative proposals. Key points that speakers might include: methods used, key assumptions, and key results.

Panelists:

- David Kennedy, Air Resources Board

- Paul Bernstein, Charles River Associates
<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/042110/bernstein.pdf>
- David Roland-Holst, University of California, Berkeley
<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/042110/rolandholst.pdf>
(Updated)
- Tom Tanton, T² & Associates
<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/042110/stanton.pdf> **(Updated)**
- Reid Harvey, U.S. Environmental Protection Agency
<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/042110/harvey.pdf>

The second part of this Board Agenda item will include a panel discussion focused on review and critique of recent economic studies and implications for future analysis and action.

Discussion Panelists:

- Larry Goulder, Stanford University
<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/042110/goulder.pdf> **(New)**
- Hal Nelson, Claremont Graduate School
<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/042110/nelson.pdf>
(New)
- Michael Hanemann, University of California, Berkeley
<http://www.arb.ca.gov/cc/scopingplan/economics-sp/meetings/042110/hanemann.pdf>
(New)
- Chris Busch, Center for Resource Solutions

Following the panel discussion, the Board will provide an opportunity for interested public and stakeholders to make comments on these topics.
