Greetings,

In response to your solicitation for Ideas to reduce greenhouse gas emissions, please find attached three pdf files offering our ideas to reduce greenhouse gas emissions. The files are named as follows:

Sept_2007_reduce_GHG.pdf (application/pdf) 88kb

Drive 55 Conservation Project Action Plan.pdf (application/pdf) 121kb

Emissions Impact of Elimination of the National 55 mph Speed Limit.pdf (application/pdf) 101kb

I will appreciate confirmation that everything is in order, and any suggestion or directions to insure these ideas get a fair hearing.

Many thanks,

Tim Castleman
