## **Technical Stakeholder Working Group Meeting on Sulfur Hexafluoride (SF<sub>6</sub>) Emission Reductions from the Electricity Sector and Particle Accelerators**

The California Air Resources Board (ARB) staff invites you to participate in a technical stakeholder working group meeting to discuss concepts for reducing sulfur hexafluoride (SF<sub>6</sub>) emissions from the electricity sector and particle accelerators.

At the meeting, ARB staff will present a brief overview and background information, followed by an open forum to discuss emission control strategies and alternatives. Staff will use information gathered through this process in developing a draft emission control measure.

An agenda will be available prior to the meeting at the following website address:  
<http://www.arb.ca.gov/cc/sf6elec/meetings/meetings.htm>
