Harbor Communities Monitoring Meeting

January 10, 2007

Wilmington Senior Center
1371 Eubank Street
Wilmington, CA 90744

6:00 p.m – 8:00 p.m.

Draft Agenda:

- Introductions
- Brief overview of the Harbor Communities Monitoring studies
- Professor Akula Venkatram presentation on tracer gas study results (his study investigated pollution dispersion with marine air influences and was aided by volunteers from the Coalition for a Safe Environment)
- Preliminary findings from ARB's Mobile Platform sampling in Wilmington, West Long Beach, South Carson, and East San Pedro
- Status of other ARB Harbor Communities Monitoring studies
- SCAQMD, Port of LA, and Port of Long Beach ambient sampling
- Overview of future sampling and reporting of results

Harbor Communities Monitoring Meeting Wilmington

The California Air Resources Board invites you to attend our Harbor Communities Meeting in Wilmington, California on January 10, 2007.

Purpose of Meeting:

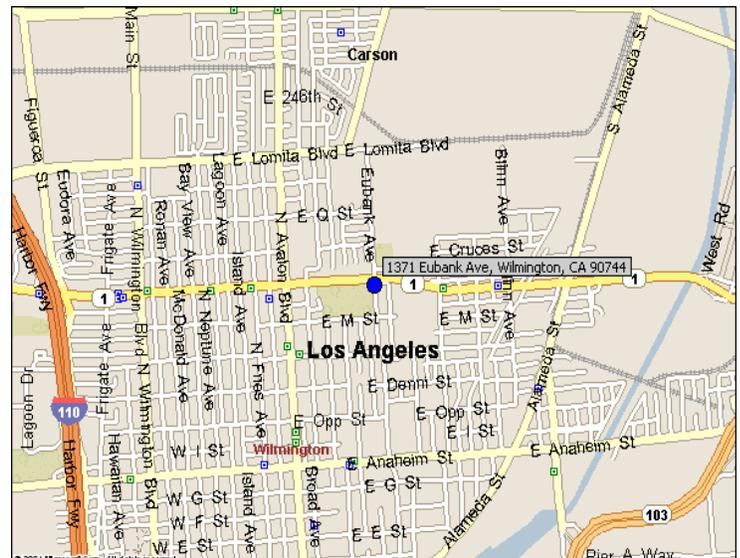

To inform interested community members about air pollution measurement studies conducted around the ports area of Los Angeles. Results from a completed pollution dispersion study in the Wilmington area and preliminary results from recently conducted measurements will be presented, as will the schedule for future monitoring and the reporting of results. The ARB Mobile Platform, which is a Toyota RAV4 outfitted with air pollution measurement devices, will also be on display.

Directions

January 10, 2007

6:00 p.m. - 8:00 p.m.
