Dear Sir or Madam:

We are requesting your participation in a survey of economic impacts associated with the proposed limits of the 2007 Suggested Control Measure (SCM) for Architectural Coatings. The purpose of the survey is to gather information on the total cost manufacturers will incur to comply with the proposed limits. This information is important to further evaluate the cost effectiveness of the proposed limits of the 2007 SCM. This survey does not include costs incurred to meet the limits of the South Coast Air Quality Management District's architectural coatings rule (Rule 1113).

**Due date.** Please complete and submit the enclosed survey to the ARB by **May 11, 2007**. The mailing address is at the top of each page of the survey forms. For overnight delivery, please use our street address: 1001 I Street, Sacramento, California 95814. Our fax number is (916) 324-8026. These forms can be downloaded at <http://www.arb.ca.gov/coatings/arch/docs.htm> and submitted electronically to [churley@arb.ca.gov](mailto:churley@arb.ca.gov). We appreciate your promptness in completing the survey.

For questions on this survey, please contact Mr. Chris Hurley at (916) 324-8178 or [churley@arb.ca.gov](mailto:churley@arb.ca.gov). For general questions, please contact Mr. Jim Nyarady at (916) 322-8273 or [jnyarady@arb.ca.gov](mailto:jnyarady@arb.ca.gov).
