Dear Sir or Madam:

The staff of the Air Resources Board (ARB) invites you to participate in a public workshop on the development of a Suggested Control Measure (SCM) for Automotive Refinish Coatings. At the workshop we will discuss the ongoing rulemaking effort and draft regulatory language. Enclosed is a fact sheet on the proposed SCM. To obtain a copy of the draft regulatory language and workshop agenda prior to the workshop, go to our webpage at: <http://www.arb.ca.gov/coatings/autorefin/scm/scm.htm>.

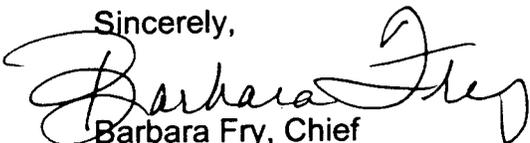

Members of the List Serve for this webpage will automatically receive email notification when new information becomes available. The workshop will be held at the following time and location:

Date: August 23, 2005
Time: 11:00 a.m. to 1:00 p.m. (PST)
Location: South Coast Air Quality Management District
21865 East Copley Drive, Conference Room GB
Diamond Bar, California 91765

If you have a disability-related accommodation need, please go to <http://www.arb.ca.gov/html/ada/ada.htm> for assistance or contact the ADA Coordinator at (916) 323-4916 at least five working days before the workshop. TTY/TDD/Speech-to-Speech users may dial 7-1-1 for the California Relay Service. If you are a person who needs assistance in a language other than English, please go to <http://inside.arb.ca.gov/as/eeo/languageaccess.htm> or contact the Bilingual Coordinator at (916) 324-5049.

Comments on the proposed SCM, including the draft regulatory language, should be submitted to Mr. David Mehl via email at dmehl@arb.ca.gov by August 30, 2005. If you have questions, please contact Mr. Mehl via email or at (916) 324-8177, or Mr. Jose Gomez, Manager, Technical Development Section, at jgomez@arb.ca.gov or (916) 324-8033.

Sincerely,

Barbara Fry, Chief
Measures Assessment Branch

Enclosure

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
