AIR RESOURCES BOARD

Portable Outboard Marine Tanks and Components

Executive Order G-13-045

Easterner Enterprises Co. LTD
Portable Outboard Marine Tank Primer Bulb

WHEREAS, pursuant to California Health and Safety Code sections 39600, 39601 and 43013, the California Air Resources Board (ARB) has established a certification process for portable outboard marine tank fuel hoses and portable outboard marine tank primer bulbs as described in California Code of Regulations, title 13, section 2468.2;

WHEREAS, "CP-510, Certification Procedure for Portable Outboard Marine Tanks and Components," adopted July 20, 2009, (hereinafter "Certification Procedure") incorporated by reference into Cal. Code Regs., title 13, section 2468.2, requires that an application for certification include test results demonstrating the portable outboard marine tank fuel hose or portable outboard marine tank primer bulb does not exceed a permeation rate of 15 grams/m²/day;

WHEREAS, section 1 of the Certification Procedure provides that an executive order (EO) will only be issued for a portable outboard marine tank fuel hose or portable outboard marine tank primer bulb that demonstrates compliance with all applicable certification requirements;

WHEREAS, section 5 of the Certification Procedure provides that ARB's Executive Officer shall evaluate each application for certification of a portable outboard marine tank fuel hose or portable outboard marine tank primer bulb to determine if the portable outboard marine tank fuel hose or portable outboard marine tank primer bulb complies with the performance standards and administrative requirements for issuance of an EO;

WHEREAS, Easterner Enterprises Co., LTD submitted an application for certification of the Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulb;

WHEREAS, Easterner Enterprises Co., LTD submitted test data demonstrating the Easterner Enterprises Co. LTD model C14782 portable outboard marine tank primer bulb does not exceed a permeation rate of 15 grams/m²/day;

WHEREAS, Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulb certification application was evaluated and found to comply with the performance standards and administrative requirements for the issuance of an EO; and

WHEREAS, pursuant to California Health and Safety Code sections 39515 and 39516, ARB's Executive Officer issued EO P-10-002 delegating to the Chief of ARB Monitoring and Laboratory Division (MLD) the authority to certify portable outboard marine tank primer bulbs.

NOW, THEREFORE, I, Michael T. Benjamin, Chief of MLD, find that the Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulb conforms to the performance requirements set forth in the Cal. Code Regs., title 13, section 2468, when tested in accordance with ARB Test Procedure TP-512.

IT IS ORDERED AND RESOLVED that the Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulb is hereby certified to meet the performance standards and administrative requirements applicable to a portable outboard marine tank primer bulb for supply to original equipment manufacturers or as aftermarket products for introduction into commerce in California. Production primer bulbs must be in all material respects the same as those for which certification is granted and must meet all of the certification requirements.

IT IS FURTHER ORDERED that Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulbs introduced into commerce in California shall be clearly identified by a permanent identification code that allows ARB to determine the date of manufacture and EO number.

IT IS FURTHER ORDERED that Easterner Enterprises Co., LTD must comply with the administrative requirements specified in Cal. Code Regs., title 13, section 2468.6(a) and must supply any changes to the identification code to the Executive Officer for review and approval at least three months prior to offering for sale a certified portable outboard marine tank primer bulb with changed codes.

IT IS FURTHER ORDERED that any alteration of the components or design of the Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulb certified hereby is prohibited and inconsistent with this certification, unless said alteration has been approved in advance of production by the Executive Officer.

IT IS FURTHER ORDERED that Easterner Enterprises Co., LTD shall provide a warranty to equipment manufacturers and aftermarket buyers purchasing the Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulb. The warranty must conform to the standards of section 2.5 of the Certification Procedure.

IT IS FURTHER ORDERED that the Executive Officer may enjoin sales, assess penalties, or revoke or modify this certification as provided in Cal. Code Regs., section 2468.9, if the Executive Officer determines that Easterner Enterprises Co., LTD model C14782 portable outboard marine tank primer bulbs offered for sale or sold in California do not meet the "Certification and Compliance Performance Standards and

Test Procedures for Portable Outboard Marine Tank Fuel Hoses and Portable Outboard Marine Tank Primer Bulbs” as provided in Cal. Code Regs., title 13, section 2468.2.

Executed at Sacramento, California, this 14th day of June 2013.

Michael Benjamin for MB
