Portable Fuel Container Public Workshop

Dear Sir or Madam:

The California Air Resources Board (CARB) is holding a workshop to solicit public comments on modifications to existing regulations for portable fuel containers (PFC).

The time and place for this workshop are as follows:

DATE: Wednesday, November 19, 2003
TIME: 9:00 a.m. to 12:00 p.m.
PLACE: California Air Resources Board
Monitoring and Laboratory Division
1927 13th Street, 1st Floor Conference Room
Sacramento, CA 95814

This workshop will discuss revisions that the ARB intends to make to PFC regulations including the addition of a certification program, modifications to spill-proof spouts, adoption of ASTM test methods and inclusion of utility jugs into the regulations. The workshop will include a presentation by staff as well as an open public comment period.

The meeting facility is accessible to persons with disabilities. If accommodations are needed, please contact Elizabeth Mongar at (916) 327-0900 as soon as possible. Persons with hearing or speech impairments can contact us by using our Telephone Device for the Deaf (TDD) at (916) 342-9531, or (800) 700-8326 for TDD calls from outside the Sacramento area.

Should you have any questions regarding the portable fuel container workshop, please feel free to contact Joseph Fischer at (916) 322-8914 or jofische@arb.ca.gov.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
