## Portable Fuel Container Public Workshop

Dear Sir or Madam:

The California Air Resources Board (ARB) staff is holding a workshop to solicit public comments on modifications to the existing regulation for Portable Fuel Containers (PFC).

The time and place for the workshop are as follows:

DATE: Wednesday, March 17, 2004  
TIME: 9:00 a.m. to 12:00 p.m.  
PLACE: California Air Resources Board  
Monitoring and Laboratory Division  
1927 13<sup>th</sup> Street, 1<sup>st</sup> Floor Conference Room  
Sacramento, CA 95814

The workshop will discuss revisions that the ARB staff intends to make to the PFC regulation including the addition of a certification program, modifications to spill-proof spouts, adoption of (American Society of Testing Methods) (ASTM) test methods and revisions to permeation test method 513. The workshop will include a presentation by staff as well as an open public comment period.

The meeting facility is accessible to persons with disabilities. If accommodations are needed, please contact Elizabeth Mongar at (916) 327-0900 as soon as possible. Persons with hearing or speech impairments can contact us by using our Telephone Device for the Deaf (TDD) at (916) 342-9531, or (800) 700-8326 for TDD calls from outside the Sacramento area.

Should you have any questions regarding the Portable Fuel Container workshop, please contact Joseph Fischer at (916) 323-1169 or [jofische@arb.ca.gov](mailto:jofische@arb.ca.gov). If you are interested in being notified by e-mail of future Portable Fuel Container rulemaking activities, please sign up for our e-mail notification at <http://www.arb.ca.gov/pfc/pfc.htm>.

*The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.*
