May 27, 2009

Dear Sir or Madam:

The California Air Resources Board (ARB) staff is holding a public workshop to discuss testing results and regulation activities for Portable Refueling Stations (PRS) and components. The time and place for the meeting are as follows:

DATE: Wednesday, June 24, 2009
TIME: 10:00 a.m. to 12:00 p.m.
PLACE: California Air Resources Board
Monitoring and Laboratory Division
1927 13th Street, 1st Floor Conference Room
Sacramento, CA 95811

TELECONFERENCE: Teleconferencing is available for this workshop; to participate, use the numbers and pass code below. If you have any questions please contact Elizabeth Mongar at (916) 327-0900.

Phone Numbers: 1-888-843-9979 or 1-212-287-1848 (Toll call)

Pass code: 31337#

Since April 2007, ARB staff has been conducting a study of portable refueling stations (gas caddies). The study has consisted of a test program and a usage survey designed to estimate emissions from the category and serve as the basis for a subsequent regulation. This meeting will include a presentation by staff and a question and answer period. Information regarding the agenda, and parking information is enclosed. A map of the location for the meeting is found at:
<http://www.arb.ca.gov/maps/sactomap.htm>.

Meeting locations are accessible to persons with disabilities. If you have special accommodation or language needs, please contact Elizabeth Mongar at (916) 327-0900 as soon as possible. TTY/TDD Speech-to-Speech users may dial 7-1-1 for the California Relay Service.

If you cannot attend the meeting and have questions regarding this workshop, please contact Marci Christofferson at (916) 445-4608 or via email at mchristo@arb.ca.gov, or Dennis Goodeno at (916) 322-2886 or via email at dgoodeno@arb.ca.gov.

Sincerely,

Manjit Ahuja, Chief
Evaporative Controls and Certification Branch
Monitoring and Laboratory Division

Enclosures (Agenda and Parking Information)

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
