Dear Survey Stakeholder Workgroup Member:

The California Air Resources Board (ARB) invites you to join us Thursday, July 25, 2002, 9:00 a.m. (PST), via teleconference for a discussion of the upcoming 2001 Consumer & Commercial Products Survey (Survey). This will be the third meeting for the 2001 Survey Stakeholder Workgroup, a subcommittee of the Consumer Products Workgroup. This workgroup serves as a forum for on-going communication regarding the development of the Survey.

At the July 25th, meeting, we will be presenting our responses to comments that resulted from our last workgroup meeting held on May 30, 2002, concerning the first draft of the survey. The floor will also be opened for comments on the second draft of the survey, which we plan to post on the ARB website (<http://www.arb.ca.gov/consprod/regact/2001surv/2001surv.htm>) by July 18th. Please submit written comments on the second draft of the survey by August 2nd. Please contact Ms. Trish Villegas at (916) 323-9688, or by e-mail at tvillega@arb.ca.gov to request a hard copy of the draft survey.

We plan to hold the meeting at the Cal-EPA Headquarters Building in Sacramento. Because of limited seating, we encourage you to participate via teleconference. If you prefer to attend in person, please contact us as soon as possible to verify seating availability. To be added to the teleconference list or to verify seating availability, contact Ms. Amy Livingston by July 18th at (916) 324-9549, or by e-mail at alivings@arb.ca.gov.

We look forward to your participation in the survey process. If you have any questions about this letter, or the survey development process, please contact Mr. David Mallory, Manager, Measures Development Section at (916) 445-8316, or by e-mail at dmallory@arb.ca.gov.

Sincerely,
