## 2006 Consumer and Commercial Products Survey

### Table C - Categories Ranked by Mass Emissions

| Category Code | Category Name   | Total VOC Content (lbs/d)* | Total Speciated LVP (lbs/d) | Water (lbs/d) | Camphor (lbs/d) | AMP (lbs/d) | Metallic Carbonates (lbs/d) | Acetone (lbs/d) | VMS (lbs/d) | Methyl Acetate (lbs/d) | PCBTF (lbs/d) | Ammonia (lbs/d) | MeCl (lbs/d) |
|---------------|---|----------------------------|-----------------------------|---------------|-----------------|-------------|-----------------------------|-----------------|-------------|------------------------|---------------|-----------------|--------------|
| 20325         | General purpose cleaner (non-aerosol)   | 27,067.8                   | 2,049.3                     | R             | 0.0             | 0.0         | R                           | R               | R           | R                      | 0.0           | R               | 0.0          |
| 20101         | Double phase aerosol air freshener  | 19,908.2                   | 407.4                       | R             | 0.0             | R           | 0.0                         | R               | 0.0         | 0.0                    | 0.0           | R               | 0.0          |
| 20310         | Glass cleaner (non-aerosol)   | 6,863.7                    | 1,066.3                     | R             | 0.0             | 0.0         | R                           | R               | 0.0         | 0.0                    | 0.0           | R               | 0.0          |
| 20327         | General purpose degreaser sold exclusively to establishments which manufacture or construct goods (labeled not for retail sale) | 3,134.2                    | 1,070.3                     | R             | 0.0             | 0.0         | 0.0                         | R               | 0.0         | 0.0                    | 0.0           | 0.0             | 0.0          |
| 20326         | General purpose degreaser (non-aerosol)   | 2,748.7                    | 1,144.2                     | R             | 0.0             | R           | R                           | R               | 0.0         | 0.0                    | 0.0           | R               | 0.0          |
| 21405         | Furniture maintenance product (aerosol)   | 2,305.5                    | 146.2                       | R             | 0.0             | 0.0         | R                           | 0.0             | R           | 0.0                    | 0.0           | R               | 0.0          |

\* Total VOC includes all fragrance and was market adjusted.

\*\* Omitted to protect confidentiality.

R = Indicates that this compound was reported for this category.

Abbreviations: VOC = volatile organic compound; LVP-VOC = low vapor pressure volatile organic compound;

PCBTF = Parachlorobenzotrifluoride; Perc = Perchloroethylene; MeCl = Methylene Chloride; VMS = Completely Methylated Siloxanes;

CO2 = Carbon Dioxide; tpd = Tons per day; lbs/d = Pounds per day; AMP = 2-Amino-2-Methylpropanol

Friday, August 15, 2008

| Category Code | Category Name   | Perc (lbs/d) | HFC-152a (lbs/d) | HFC-134a (lbs/d) | PTFE (lbs/d) | Comp. Air (lbs/d) | CO2 (lbs/d) | Nitrogen (lbs/d) | Nitrous Oxide (lbs/d) | Grouped Organics (lbs/d) | Grouped Inorganics (lbs/d) | Fragrance (lbs/d) | VOC Emissions (TPD) | Cumulative wt % VOC |
|---------------|---|--------------|------------------|------------------|--------------|-------------------|-------------|------------------|-----------------------|--------------------------|----------------------------|-------------------|---------------------|---------------------|
