Dear Sir or Madam:

The California Air Resources Board (Board) invites you to join us Tuesday, October 21, 2003, in Sacramento, California for a meeting of the Consumer Products Workgroup. This meeting will primarily serve as a forum for communication regarding the development of the consumer products regulations that will be presented to the Board in April/May 2004 (changed from original date of December 2003). We will also briefly discuss the amended State Implementation Plan (SIP) settlement agreement, the reporting requirements for aerosol adhesives, the next consumer products survey, and any other general consumer products issues participants wish to discuss (see Attachment 1 for proposed agenda).

We plan to hold this meeting at the Cal-EPA Headquarters Building in Sacramento. Because of limited seating, we encourage you to participate via teleconference. The following information is needed to participate in the call:

Approximately one week prior to the workgroup meeting we expect to post the list of potential categories to be regulated, the 2001 Survey Preliminary Data Summaries, and a list of proposed regulatory changes to the consumer products website (<http://www.arb.ca.gov/consprod/regact/cprwg/cprwg.htm>). Once these items have been posted, a List Serve email will be sent to subscribers announcing that the handouts have been posted.
