

ATTACHMENT H**OVERVIEW OF ELECTRONIC DATA SUBMITTAL AND
MID-TERM MEASURES ELECTRONIC DATA SUBMITTAL REQUEST FORM**

To simplify and streamline the data gathering process, we have made the Product Information Packet of the Mid-term Measures Survey forms available electronically. We have created several formats to meet a variety of computer capabilities. You can access these formats via the Internet or by faxing us a copy of the Mid-term Measures Electronic Data Submittal Request Form on the following page. If you choose to submit your Product Information Packet electronically, you must still complete and submit a hard copy of the Company Information Section to the ARB.

INTERNET ACCESS:

To access the Mid-term Measures Survey on the World Wide Web, go to the California Air Resources Board Home Page at <http://www.arb.ca.gov>. When you get on our home page, click on "CARB Programs and Information Resources," "Consumer Products Program," and finally on "Mid-term Measures Survey" under the "Mid-term Measures Development and Subgroup Activities" heading.

AVAILABLE FORMATS:Self Executable Format:

We recommend and encourage the use of this self executable program. It is the most user friendly format with screens resembling the hard copy forms, and several data checks integrated into the system to ensure a minimal amount of data errors. In order to use this format, your computer must have Windows version 3.1 or higher.

Spreadsheet and Database Formats:

If your system does not have Windows 3.1 or higher or is unable to run the self executing program, spreadsheet and database formats are available as listed below.

Spreadsheet Formats:

Quattro Pro (Windows) Versions 5.0 and 6.0
Quattro Pro (DOS)
Lotus 123 (Windows) Versions 1.0, 2.0 and 3.0
Microsoft Excel Versions 2.1, 3.0 and 4.0

Database Formats:

Paradox (Windows) Versions 1.0 and 4.5
Paradox (DOS) Version 4.0

We appreciate you taking the time to consider reporting your Mid-term Measures Survey data electronically. We hope it will decrease your time and effort in fulfilling our reporting requirements. If you have any questions, problems or errors occur with the electronic submittal programs, please call David Julian at (916) 323-1519 so that we may correct them immediately.

MID-TERM MEASURES
ELECTRONIC DATA SUBMITTAL REQUEST FORM
