Dear Sir or Madam:

The California Air Resources Board (ARB) staff invites you to participate in our Transport Refrigeration Unit (TRU) Workgroup meeting on the afternoon of November 19, 2002, to discuss possible regulatory approaches to reduce diesel particulate matter (PM) emissions from TRUs. The meeting will be held at the following time and location:

Date: November 19, 2002
Time: 1:30 PM Pacific Time
Location: Cal/EPA Headquarters Building
Sierra Hearing Room, 2nd Floor
1001 I Street
Sacramento, California 95814

If you wish to participate in the TRU Workgroup meeting by phone, you can call in by dialing 888-425-9978 and using the passcode 59475. International callers may call in by dialing +1-773-756-4700 and using the passcode 59475. The leader's name is Mr. Tony Andreoni.

One week prior to the meeting we will post the agendas and any handouts on our web site at <http://www.arb.ca.gov/diesel/dieselrrp.htm> for your review. The materials will also be available as hard copy on the day of the Workgroup meeting. If you did not receive this letter directly but would like to be on the mailing list for future notification, please sign up via our web site at <http://www.arb.ca.gov/diesel/lists.htm>.

For your information, the California Environmental Protection Agency Headquarters Building is accessible to persons with disabilities. If you need special accommodations to attend the workshop, please contact Ms. Linda Keifer at (916) 327-1505 by November 5, 2002. Persons with hearing or speech impairments can contact us by using our Telephone Device for the Deaf (TDD) at (916) 324-9431, or (800) 700-8326 for TDD calls from outside the Sacramento area. For public transit information, please contact Regional Transit at (916) 321-BUSS or view the transportation information on the California Environmental Protection Agency's website at <http://www.calepa.ca.gov/EPABldg/location.htm>.

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our Website: <http://www.arb.ca.gov>.
