

ATTACHMENT 3

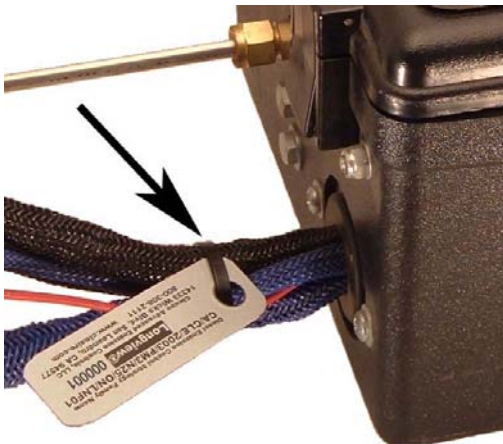

Conditional Verification Letter 10-661-723

Label for the Cleaire Lonestar System

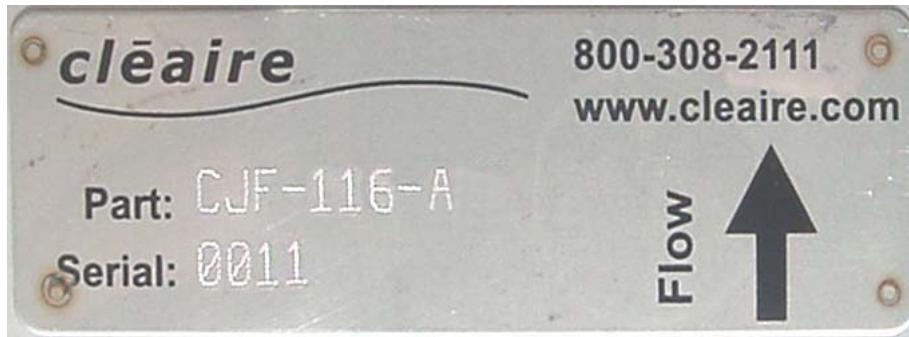

Notes:

- Month and year of manufacture are not included. This information is readily obtained from Cleaire by reference to the serial number.
- The labels that are attached to the Lonestar and engine are identical. The figures below illustrate typical installations: one on the electronic controller's wiring harness, the other on an engine stud (for illustrative purposes only: please disregard the information shown on the labels in the figures).

Additional System Labels

The following sample label is permanently attached to the diesel particulate filter:

The following sample label is permanently attached to the lean NOx catalyst:
