HUSS FS-MK Label for Re-designated Systems

The diagram shows a rectangular label with a black border. On the left side, there is a green square logo with the word "HUSS" in white. To the right of the logo, the text "Diesel Particulate Filter" and "www.hussgroup.com" is centered. Below this, there are three rows of information, each with a label on the left and a box on the right. The first row is labeled "CARB" and contains the text "CA/HUS/2006/PM3+/NOO/ON/DPF01". The second row is labeled "TYPE" and contains "MK 200 REDEG". The third row is labeled "No." and contains "MK0001R", followed by the word "YEAR" and a box containing "July 2010". At the bottom of the label, the address "Huss, inc. 77524 El Duna Court Suite H" and phone number "Palm desert, CA 92211 Phone: 1-888-360-4877" is printed. To the right of the label, a vertical double-headed arrow indicates a height of "1.87\"". Below the label, a horizontal double-headed arrow indicates a width of "3.5\"".

Notes:

- This label (example) is only for complete filter systems that have been reviewed and approved by HUSS for re-designation (removal from one engine and installation onto another engine).
- The label is metal and must be affixed to both the engine and the filter.
- The label on the engine and the filter are identical.
- CARB = Diesel Emission Control Strategy family name.
- TYPE = HUSS model number.
- No. = Filter serial number. A re-designated system keeps the original serial number with the addition of an "R" at the end.
- YEAR = Month and year of manufacture (unchanged from original label).
