

FURLOUGH DAYS FOR AIR RESOURCES BOARD

In order to implement [Executive Order S-13-09](#), which calls for three furlough days per month, offices of the California Environmental Protection Agency (Cal/EPA) will be closed on Friday July 17 and Friday July 24, and on the first, second and third Friday of every month thereafter through June 25, 2010.

During these Fridays, the Air Resources Board will be closed and not conducting business. Any meetings that were to be held on these Fridays will be canceled or rescheduled. Documents that would normally be delivered through the United States Postal Service or other mail carrier services will be received and processed on the following Monday.

We recognize this may cause an inconvenience. We look forward to continuing to serve you. If you have any questions regarding the Air Resources Board's programs, please email us at helpline@arb.ca.gov or call 1-800-END-SMOG.

Thank you.
