

BUTTE COUNTY AIR QUALITY MANAGEMENT DISTRICT

RULE 502 - SOURCE TESTING FEE

*(Adopted August 8, 1982; Amended and Recodified August 6, 1985;
Amended and Recodified June 24, 1999; Recodified August 22, 2002;
Amended June 23, 2005)*

- 1 SOURCE TESTING FEE:** Any person requesting the Butte County Air Quality Management District (DISTRICT) to perform source testing activities, or where the Air Pollution Control Officer (APCO) determines that a DISTRICT source test is required in order to determine compliance, shall pay for such requested activities at a rate of \$60.00 per hour. A source testing fee shall also be assessed by the DISTRICT to witness a required source test and review the results of the source test in order to determine compliance with DISTRICT Rules and Regulations, permit condition(s), and State and federal laws. Source testing fee minimum charge is \$60.00. Notwithstanding this fee, the DISTRICT may assess the actual costs, as determined by the APCO.
